

## MEMORANDUM

**JEB BUSH**  
GOVERNOR

**TO:** All AAA Directors

**NOTICE#:** 042203-1-T-OC

**FROM:** Susan Tucker  
Deputy Secretary

**DATE:** April 21, 2003

**SUBJECT:** Notice of Transmittal: Severe Acute Respiratory Syndrome (SARS) Update

With a few cases of Severe Acute Respiratory Syndrome (SARS) currently being investigated in Florida, we feel it is prudent for us to share with the state's 11 Area Agencies on Aging information about the syndrome. Provided with this Notice of Transmittal is an update from the Department of Health. The information in the update will help explain SARS and its symptoms. We ask that this update be disseminated to your staff, local services providers and your clients.

If you have any questions, please do not hesitate to contact me at (850) 414-2064 or [tuckers@elderaffairs.org](mailto:tuckers@elderaffairs.org)
