

MEMORANDUM

TO: AAA Executive Directors **NOTICE #:** **102908-1-I-SWCBS**

FROM: E. Douglas Beach, Secretary

DATE: October 29, 2008

SUBJECT: Notice of Instruction: Aged and Disabled Adult Waiver Client Enrollment Authorization

The purpose of this notice is to authorize limited client enrollment in the Aged and Disabled Adult (ADA) Waiver Program. Effective October 22, 2008, all Area Agencies on Aging can begin authorizing enrollments into the ADA Waiver for only two groups of clients:

- All clients placed on the ADA Assessed Priority Consumer List prior to 10/01/08 who are ranked level 5 and above.
- All active Community Care for the Elderly clients, identified as Medicaid waiver probable, placed on the ADA Assessed Priority Consumer List prior to 10/01/08 and who are ranked level 4 and below.

Attached to this notice is a table representing the above groups for each Planning and Service Area (PSA). Please note that this notice of enrollment authorization is based on projections utilizing caseload, average cost per client, and attrition data previously supplied by each Area Agency on Aging. Moreover, the projections are based on the specific number of clients in the above two groups and the program's legislative funding capacity. Accordingly, this notice does not authorize the enrollment of any clients identified outside these two groups.

We appreciate your cooperation in this process. If you have questions, please contact Eunice Medina at (850) 414-2333 or Vicky Sexton at (850) 414-2431.
