5 Day Meal Reconciliation of Meal Counts

As part of every review of a sponsored center the monitor must reconcile and ensure consistency of the three critical elements – enrollment, attendance, and meal counts – for a five-day period.

* Select 5 consecutive operating days during the current and/or prior claiming period.

* Enter ACFP enrollment numbers and ACFP attendance numbers for each day into the worksheet

* Enter meal counts for all ACFP meals claimed on the 5 days selected into worksheet

Only ACFP enrolled participants should be used in the Five-Day Reconciliation of Meal Counts.

Date	Enrollment	Attendance	Breakfast	AM Snack	Lunch	PM Snack	Supper	EV Snack
Day 1								
Day 2								
Day 3								
Day 4								
Day 5								

The monitor will determine the number of ACFP participants in care during each meal service and attempt to reconcile those numbers to the number of meals recorded in the facility's meal count for that day.

Question	YES	NO
1) Do meal counts for the five consecutive days reviewed exceed the documented enrollment or attendance for those days?		
2) If yes, does the center have a reasonable explanation? (detail below)		
3) Are there meals that should be disallowed in the current month?		
4) Are there meals that are over the claim from the previous month?		
5) Is a corrective action required?
