## MEMORANDUM

**TO:** Area Agencies on Aging      **NOTICE #:** 071904-1-T-SWCBS

**FROM:** Ronald Taylor, Director  
Statewide Community-Based Services

**DATE:** July 19, 2004

**SUBJECT:** Notice of Transmittal: Revised Medicaid Waiver Referral  
Agreements

---

The purpose of this memorandum is to advise each area agency on aging of revisions to the Medicaid Waiver referral agreements. The referral agreements are incorporated as Attachments II (A), II(B), III(A), and III(B) of the 2004-05 Medicaid Waiver Spending Authority contract. The revisions are the result of feedback received from the Medicaid Waiver Specialists pursuant to their June 23-25, 2004 training meeting in Orlando. A copy of each attachment, with strike through and highlighted text to indicate changes, is attached for your review.

The department will prepare an amendment to your 2004-05 Medicaid Waiver Spending Authority contract to incorporate the revisions. It is anticipated that the amendments will be executed by August 1, 2004, and that you may begin using the revised referral agreements at that time.

Please share this information with your Medicaid Waiver Specialists. Feel free to contact your contract manager if you have any questions or concerns.
