**NOTICE: #101603-1-I-CFM**

**FROM:** Terry White

**DATE:** October 16, 2003

**SUBJECT:** Notice of Instruction: Older Americans Act Agreement draft for 2004

---

The purpose of this notice is to solicit your written comments regarding the draft Older Americans Act (OAA) agreement for 2004 (in Microsoft Word format, attached), and to provide the Allocation table detailing the distribution of funds for this agreement. A Calendar of Events for the OAA award process, including activity dates, is also attached. Your written comments regarding the draft OAA agreement should be submitted to your contract manager no later than October 30, 2003 (via e-mail or fax).

In order to adhere to the timeline presented in the Calendar of Events, please complete C.I.A. and C.II.B. forms by November 14<sup>th</sup>. The Budget Summary and Allocation to the Planning and Service Area forms (C. II. B. & C. I.
