SUBJECT: Notice of Instruction: Regional Consultation Workshops

TERRY F. WHITE
SECRETARY

As discussed on the conference call earlier today, the department will be hosting a series of regional consultation workshops on October 15 and October 21-24, 2003. These sessions will provide a forum for aging network stakeholders and our partners from other health and human services agencies to provide feedback to our contractor, PKV Consulting, on how we can develop an information and management system that meets our needs for the coming years.

Details about the workshops are outlined in the attached flyer. We ask you to distribute this information to stakeholders in your area. If you have any questions about these sessions, please contact Tom Reimers at (850) 414-2150.
